President WIII Read Message

Washington, Aug. 22.-President Wilson will personally read his message on Mexico to both houses of congress Monday, on what has been done by the United States to bring about peace. He worked practically all day on it. Except for a short conference with Secretary Bryan, the president denied himself to all visitthe White House.

The message will summarize the principal points made in the note presented by John Lind and the contentions of the Huerta government in reply. The full text of both communications will be presented to congress as exhibits.
